Regional Wasteshed Planning (Northern Front Range)

The Present

- Larimer County landfill closure (approx. 2025)
- Citizen mandates
- Stagnating recycling rates
- Misplaced resources

The Process

- Regional coalition formed (Spring 2015)
- Long-term planning process
- Listening, gathering information, site visits
- Large stakeholder forum (Fall 2015)
- County-wide survey (Winter 2016)
- Multiple community forums (2016)

The Future

Key Components of Success

- Economics and funding
- Collaboration and partnerships
- Tools and technology
- Public understanding and attitudes
